

The Mustard Seed

Volume 2021, Issue 1

January/February/March 2021

A Note from the Pastor

Well, here we are a brand-new year!!! 2021!! 2020 has now officially come to an end as we now usher in a brand, New Year, 2021! Now, it is common this time of year for all of us to make some sort of resolution. For example, many people, including me, make the pledge each year to be a better person and to disregard are old bad habits and begin some new, good ones. Many people, make the pledge each year that this will be the year that I will lose weight, drink more water, eat healthier and get fit. I make this pledge, every year! It has been said that 75 percent of Americans make a pledge each New Year to lose weight! You will notice that most gyms in the surrounding areas will be full this time of year because people are trying to honor their New Year's resolution. However, when February comes around most people will forget about the resolution they made in January and go back to their old habits.

Do not get me wrong I think getting fit and keeping our bodies in shape is a good thing! It is good that you and I take care of our bodies because the Bible says our body is the temple of God. I believe the Apostle Paul said it best when he told his young protégé, Timothy the following in 1 Timothy 4:8, "For physical training is of some value but godliness has value for all things, holding promise of both the present life and the life to come." In short, Paul is saying becoming more like Christ is more important than us getting fit.

YES! Physical training has some value, temporal value, but godliness has eternal value. I will take the eternal value, every time!!

Our country has been through alot last year, a world-wide pandemic (COVID-19), civil unrests, churches, and businesses being closed, and not being able to see our love ones, etc. Sadly, as I am writing this letter to you, I am watching on TV civil unrest is happening at our, Nation's Capital over the recent Presidential Election! I weep over all these events that is happening in our nation, but I also rejoice because this can be our time to shine for Jesus! I believe we can use this opportunity to bring Glory to God.

How can we do this? Be a peacemaker, pray for our leaders and nation, speak truth, speak gentle words, do not stir up trouble, love thy neighbor, do not slander your neighbor, etc. In all humility, we must remember as a Christian our true home and citizenship is in Heaven, not of this world. The Lord expects us to act like a citizen of Heaven and not a citizen of this world and if we do it will bring God Glory!

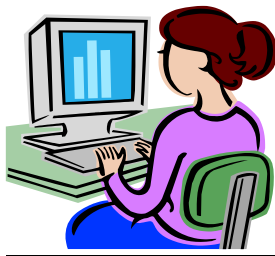

Starting on January 10th I will be beginning a ten-week sermon series, entitled, "Committed... to the things of God." Now more than ever we need to be more committed to God and the things of God. So often you and I are influenced by the world and more committed to things of this world then God. I am sure that hurts the heart of God. I hope and pray this ten-week sermon series will help us be committed to the right things, the things of God and not of this world. I am truly looking forward to the new year and serving the Lord with you.

Blessings, RJ

Children's Corner
By Little Miss Church Mouse

Hi - It's me, Little Miss Church Mouse.

Well this year Christmas was a bit different than we are used to. We did not have a big family get together at my mom and dad's this year. We visited them in small groups to keep them healthy so they could drive to Arizona for the winter. I miss our big family get-togethers. My sisters and our families did get together the

week before Christmas but it was not the same without my parents there. But we treasurer each time we get together, they are the gifts you cannot return, exchange or give away.

In my family, as we open our gifts we also have the annual indoor snowball fight with wrapping paper. We laugh a lot and just enjoy being together. This year was the same but on a much smaller scale. Days after the presents were opened and everyone went home I found a crumpled up ball of wrapping paper and it got me thinking.

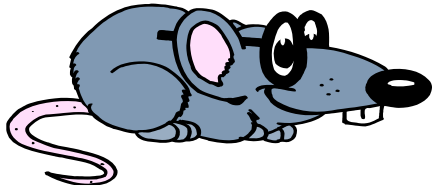

After the gifts are open, is it all over until next year?? The Christmas presents are opened, the Christmas cookies are eaten and the Christmas songs and services are over. So, do we just set the gift of Christmas aside until next year??

Luke 2:1-20 tells of the birth of Jesus. We are told how Joseph took Mary to Bethlehem to register for the census as decreed by Caesar Augustus. While they were there Mary gave birth to a baby in the manger just as the shepherds were told by the angels while out in the fields with their flocks. When they saw the baby as they were told they went and shared the good news with others. This baby came to forgive our sins and give us the chance to live with God if we just believe.

The story could have ended there but it did not. Jesus grew up to be strong and do amazing things in the name of the Lord. He talked with many people and showed them that a life with God is the best gift ever. So as we go through the year leading up to the next Christmas celebration, we need to make sure we keep the gift of Jesus' love alive in our lives.

What can we do to keep honoring this gift? Talk with your parents, grandparents and other family members to see what you can do to keep honoring this gift.

We made donations again this year to local non-profit organizations in the amount of \$600, have approved \$75 to purchase the remaining hand towels for the personal hygiene kits to donate to Department on Aging. Lynnette had tote bags and insulated bags to donate to church as well as packets of honey for tea at our coffee hours and other events when we are able to hold those again.

A message went out to the congregation to please remember John and Billie's wedding anniversary with cards to their home. John is 98 and Billie is 97.

**Christian Service Brigade Unit 8049 at
Huntsburg Congregational Church**

2020 was a good year for the CSB Unit 8049 at Huntsburg Congregational Church. We met together on multiple occasions during the year where we played games, memorized scripture, mentored each other and learned about God's word. We had the opportunity to participate in the Battalion Klondike early in the year where the young men competed in several physical, mental and spiritual competitions with other CSB Battalions from around the region. Our battalion came in third place out of five teams in a hard fought effort which included a first place finish in fire building, bible quiz and knot tying. Some of the young men of battalion 8049 also attended summer camp in 2020 and participated in Outdoor Challenge which was the only activity that was offered in 2020 at Stony Glen Camp. The boys who attended camp learned many outdoor survival skills and were mentored in God's word during the week.

We resumed our battalion meetings in October and are currently meeting every other Wednesday night with an average attendance of 12-15 people. The goal for this year is to continue helping the young men grow in Christ through one-on-one mentoring, bible study, and group activities. Talk to Andrew Smith.

Pictures included on separate sheet.
